CROSS-CURRENTS:
Movement, Migration, and Mobility in East Asia

June 22-24, 2011

2nd IEAS-RIKS Forum
Institute of East Asian Studies
University of California
Berkeley
Welcome to Berkeley! We are honored to have you all here for the 2nd IEAS-RIKS Forum. The 1st Forum in Seoul in 2009 generated the idea to create a new Asian Studies e-journal, a vision that has since been brought to reality with the launching of *Cross-Currents: East Asian History and Culture Review*. This year’s Forum is thus integrally linked to the e-journal. I look forward to seeing some of the scholarship presented here published in future issues of *Cross-Currents*. The e-journal itself is embedded in a web platform designed for the purpose of scholarly social networking and multilingual, multimedia collaboration, a cutting-edge resource for East Asian scholars everywhere. We are grateful to the Research Institute of Korean Studies for its generous support of this exciting project, and we look forward to working together in the years to come.
